

## THEATRE SCHOOL

Every September, the New West Theatre office phone rings off the hook with parents asking if we feature theatre classes that run throughout the year. In response, we let them know about our popular theatre camps that engage and inspire young people each summer, but that we do not offer any programs during the rest of the year.

**This fall, though, we are proud to announce the unveiling of the New West Theatre School!**

Participants in the New West Theatre School will explore a range of vibrant activities that expand their theatrical skills and boost their self-confidence. At the end of the session, students perform in a presentation of their work for families and friends.

New West Theatre's highly experienced arts educators focus on fostering personal growth in a positive environment. The classes take place at the Southern Alberta Art Gallery and the final showcase takes place in the Sterndale Bennett Theatre, allowing young people to experience the magic of performing in a professional theatre setting.

I hope you can be part of the first class of the New West Theatre School!
